

“Taking it to the Streets”

Intern Program in the Coachella Valley

Join us

Friday, January 27, 2012 from 1 to 2 p.m.

CVAG offices (73-710 Fred Waring Drive, #115, Palm Desert)

We are looking for team members to participate in our second session of the **Green for Life** intern program, February through May 2012.

At the meeting you will hear from past interns and life-long environmental advocate Ted Flanigan about the importance of outreach to increase awareness of energy efficiency opportunities and inspire community action.

The presentation will be followed immediately by interviews for multiple **paid** intern positions. Interested applicants should bring a resume.

To RSVP or apply, contact Virginia Nicols via email at vnicols@ecomotion.us
